

# Arabic Newsletter For Gr.4

## UOI 2

**Dear Grade 4 Parents:**

We would like to share our Arabic outcomes for the second unit, it is about: Water is a limited resource that is essential to life.

### **Language outcomes:**

#### **Conversation**

- Counting from 1-10.
- Recognize the colors.
- Making simple conversation about his friend.

#### **Listening**

- Follow basic instructions.
- Recognize the same letter in different words.
- Answer for simple question like (what ? Where?)

#### **Reading**

- Read the new vocabulary and recognize the letters sounds.
- Read the words and express the understanding by drawing.
- Read the words and match it with the correct picture.

#### **Writing**

- Copy and write simple words and sentences.
- Write the missing letter.
- Write the words and the simple sentences correctly at dictation time.

**Unit Theme :**

**Sharing the planet**

**حروف العربية**

### **Notes :**

- If you need to ask any thing send email:

[w.aseeri\\_gis@gemsedu.com](mailto:w.aseeri_gis@gemsedu.com)

[e.gad\\_gis@gemsedu.com](mailto:e.gad_gis@gemsedu.com)

The Trans disciplinary nature of the PYP program encourages authentic connections across subject areas. These connections will be made by using the same or similar vocabulary as the homeroom teachers.
